

Subject: Final Call for Submission of Technical Proposal and Quotation

Dear Sir/Madam,

CAMS Engineering Plc hereby issues this **final call** for submission of technical proposals and quotations following three consecutive bid period extensions during which no bidder was available.

We invite all eligible, qualified, and competitive manufacturers to submit their proposals for the following requirements:

1. **Modular/Containerized Cold Room Facility**
2. **Container-Mounted Solar Panel System** — as detailed in the attached Request for Proposal (RFP), intended for value chain integration.

The bid evaluation will be carried out in accordance with the Company's Materials Management Policy and Procedures by the Purchase Committee. A complete set of specifications and requirements is provided in the attached RFP for review by interested and qualified suppliers.

This will be the final submission opportunity.

All sealed quotations/electronic mail offer must be delivered to the address shown on bill document attached in **no later than 12:00 AM (EAT) on November 15, 2025.**

All sealed proposals/electronic bid document must be submitted **no later than November 15, 2025 (12:00 AM EAT)** to the address below:

Address: Orda Building, 15th Floor, Room No. 1A OR **Submit on Company Email:**
camsengineeringplc@gmail.com

For information only: Contact: Mr. Tigist Gebretsion, Email: cbt.ethiopia@gmail.com ,
WhatsApp/Phone: +251 91120 3135

Bid Closing Date: November 15, 2025

Bid Opening Date: November 15, 2025

We sincerely encourage all interested and capable bidders to submit their proposals within the stated deadline.

Sincerely,
